MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT : Revised Administrative Plan for SR Division  
VI Project AEMARSH

I. Background

1. The Administrative Plan for the subject project was authorized by the DD/S on 1 December 1953 and approved by the DD/P on 3 December 1953. This Plan provided for the formation of AEMETHOD (a nonprofit membership corporation) whose primary function was to furnish financial support and to serve as a backstop for the cover activities engaged in by AEMINX.

2. This project was classified as a proprietary activity and the reason it was so classified was due to the fact that the funding mechanism, <sup>WAS</sup> AEMETHOD, ~~was~~ <sup>WAS</sup> intended to be a nonprofit membership corporation. The instrumentality to carry out the operational activities was, and still is, AEMINX, a nonprofit cultural organization.

3. It subsequently developed that a cleared individual was used to pass funds to AEMINX and therefore AEMETHOD was never utilized, in fact AEMETHOD was never established.

4. The SR Division and the Audit Staff have requested that a revised plan be written which will eliminate the provision relating to the formation and control of the funding mechanism.

II. Purpose of this Provision

(a)

5. This revised plan eliminates the provisions relating to the formation and control of AEMETHOD and covers the Subsidy phase of project AEMARSH, and (b) Rev. PG.
